Objective

Motivated and detail-oriented Data Analyst currently pursuing a B.Tech in Data Science Engineering at Abhyuday University, Khargone. Certified in SQL (Advanced), Python Programming, and Power BI, with hands-on expertise in transforming complex datasets into clear, actionable insights. Skilled in building interactive dashboards using Power BI, data manipulation with Python and SQL, and automating workflows using Power Automate. Recognized as First Year Academic Topper and leading the university tech magazine as Chief Editor, demonstrating both technical depth and leadership ability. Committed to continuous learning and contributing to data-driven projects that create measurable business value.
